**MULTI DOSE TUBE**

# ShowEase™

**GEL**

ShowEase™ Gel uses a balanced combination of ingredients to support stress management and optimize relaxation and focus without causing drowsiness. ShowEase™ Gel is all natural. Veterinarian recommended.

**Directions for Use:** Administer orally 45 minutes prior to stressful situation. During periods of high dynamic stressors or when stressors are severe, administration can be repeated 1 hour after first dose and again 4 hours later as needed. Stressful situations are unique to each animal. Doses can be increased with no risk.
